

HELLO 2024 Family Retreat Campers

Welcome to Family Camp 2024! This year's camp theme is "More Than Magic Waters".

Family Retreat begins on Friday, July 19th, with check in starting at 5:00 p.m. and will end after lunch on Sunday July 21st, around 3:00 p.m. This is a change of date from the past so please make a note! You are housed with your own family, and you can do as much or as little as you'd like while you are there, but we encourage you and your family to participate in as many of the scheduled activities that you can. If you have any special dietary needs, I hope you noted them on your registration/health form. If not, please let me know so we can help you with your dietary needs.

Family Camp is a great time to make new friends, reconnect with old friends, sing around the campfire, watch for shooting stars, and breathe in the fresh air on God's Mountain. There will be free time to go hiking, play putt-putt, enjoy swimming, and do crafts. We will have devotions & worship, and lots of fun activities. If you just want to relax on Central's porch rocking in a chair that is great too! Family Camp is a fantastic opportunity to introduce your children to camp before they become campers without you. All activities are optional as Family Camp is about relaxing and connecting with God. Sound good? You will be happy you brought the family to God's Mountain!

For the 2024 Family Camp Service Project we are once again be asking for everyone to bring items to help camp out. Suggested items are... toilet paper, paper towels, light bulbs, and Microfiber cloths.

Attached is a list of what to bring (and not to bring) and other important information.
